Minimum Stipulated Facilities for Motor- ists at Petrol Pumps

1591. SHRI V. HANUMANTHA RAO: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether Government are aware that a majority of petrol pumps are not providing minimum stipulated facilities for motorists;

(b) whether oil companies are very lenient in this regard; and

(c) what steps Government are taking to monitor this laxity?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURALGAS (CAPT. SATISH SHARMA): (a) to (c) As per the Marketing Discipline Guidelines, retail outlet dealers are required to provide minimum basic amenities to motorists such as free air, radiator water, first aicfT drinking water and toilet facilities. Apart from the above filter paper, etc. to check purity of petrol, suggestion/complaint book, and the name, telephone number and address of concerned oil companies officials duly displayed, have to be maintained at all the petrol pumps. Some of these amenities may not be available in a few of the petrol pumps due to their location at the water fronts or hilly areas, etc. The oil companies regularly inspect and check and in case of deficiencies take action under the Marketing Discipline Guidelines which include imposition of fine and suspension of sale and supplies of all products, which may ultimately lead to termination of the dealership.
